A Famous Last-Named Starlet

Now living in Moscow, this former ViaGra pop singer has somehow managed to retain that open-minded and kind-hearted character she grew up with living in Kyiv, and having just given birth to her second baby girl, she is smiling a lot these days only adding to her sunny character. With her career just starting to take off, she is back in Kyiv, if only for a short while, to

Jings crivvens help ma boab, it was the 15th Annual Kyiv Lions' Club Burns Night, and the team, led by Stuart McKenzie USM, surpassed themselves, outdoing all previous years, which is an incredible achievement by all accounts. It was a night for everyone, no matter what nationality, to delve into all things Scottish and experience the culture of my native land, but with a distinct Ukrainian flare. In fact, it was a truly international event with performances from Ukrainian stars such as Alibi and Kishe, piping like you've never seen it before from the Red Hot Chilli Pipers, vocal dexterity from Yerzhan Nurgalieyv of Almaty Kazakhstan, and a fantastic performance from the Up Beat Beatles getting everyone on the floor to round off the night in true party style.

The Stuff Legends Are Made Of

Synonymous with talent, intensity and finesse, the Sukhishvili name is known throughout the entire world as one that has a history encompassing

just those things. It was a couple with a dream first and foremost; and then having put their strength, determination and will into that which they believed, they created a dance group. Sukhishvili is that dance group, Sukhishvili is that dream; both of which continue to flourish even after its visionaries have gone.

The New Faces of Kyiv

In journalistic circles, the conversation regarding the lack of big names or big characters we are able to interview is often had. And instead, we often sit down

with people who are a little less than star-striking. Sometimes the things that come out of their mouths has absolutely nothing to do with the questions we've asked, and regardless of how rude or silly it all may sound, it is then up to the
